the road, and I have no doubt, if we HEADQUARTERS CORPANY A, IRISH DOCTORS AVENT and Rice, of tile board of health, having perumptorily refused to rerve any longer, were not put in nomination by Mayor Flippin last continue to work harmonicusly, our best thily and efficiently represents. MEMPHIS AND CHARLESTON. The Memphis and Charleston railroad has accomplished a great deal within THE FRIENDS OF HAYWOOD S. ASH, the past year, and can justly claim the praise of all who are interested in i's management and future operations From the figures before us, it is evident

that the management has been judicious in every respect, so far as the expenses and earnings of the road are concerned. With antagonistic rivals and determined competition, with a parallel road to contend with, and other stricus obtained to contend with the same will present them to me, or my autorney, for payment, or the same will be a pared. to contend with, and other stricus ob-stacles, it has required no little courage, intellect and critical supervision to run this line, and instead of increasing, actually diminish the expenses. At a meeting of the directors, held in this city last week, a comparative statement f the operations, earnings and expanses of the road for the past year was sub mitted. From this comparative state ment we extract the following exhibits,

Decrease in earnings ... 258,403
